JULY 2022

Queen's Platinum Jubilee Celebration SPECIAL EDITION

What a lovely time we all had over the Jubilee Celebration weekend - our homes dressed up in red, white & blue, the wonderful 'sold out' Celebration Concert held in All Saints Church, and of course the superb Picnic on June 4th.

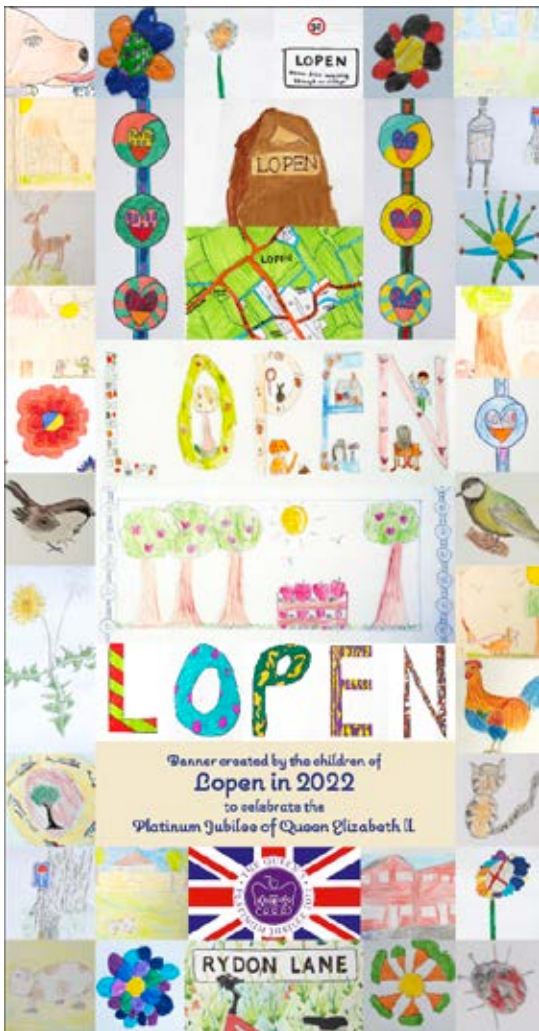

A huge thanks to everyone who made these lovely events happen - from the individual households who made the effort to dress their homes, the bakers who made the cakes for the older residents of the village, the performers and helpers at the concert, the volunteers who mowed & cleared the field and erected the gazebos (and took them all down again after the event), a certain individual (you know who you are!) who arranged the Treasure Hunt and all the special Jubilee medals for every household and of course Michael & Valerie Canton for allowing us to use their field.

Without these people none of this could have happened!

We hope you enjoy the pictures in this special issue, and maybe keep this as a memento of Lopen's 2022 Jubilee Celebrations.

This is my last issue of the Lopen Eye, but don't despair! A new team are currently working on a different version of The Eye. It may not be in the same format as the current Eye but it will still be full of interesting news and useful information. They are hoping to have the first issue available for September.
